

Table of Contents

Analysis on Feasibility and Study of Machinery Protection Cover Zhao Zhanfeng	1
Design and Research on the Information Acquisition of Ginseng Ecological Factors Based on Internet Plus Hongwei Zhu	5
Research on Plant Landscape Planning of Daming Palace National Heritage Park of Xi'an Jie Wang	9
Research on Quality and Security Control of Bridge Construction Management Chunfeng Wu	14
An in-situ experimental testing method of swelling pressure on expansive soils Chen Ronglin, Zeng Zhixing	19
Discussion on the Communication Strategy of Mobile Phone News Client from the Perspective of New Media Communication Li Lixuan	25
The application of service marketing strategy in hotel management Zhu Renpeng	29
Research on Chinese Information Contest from the Realization of Commission Consignment Business in U8 V10.1 Wenyuan Chen	33
Research on the Operation and Development of Sports Fitness Industry Based on Internet Plus Era Gong Yan	38
Take "Shared Bicycle" as an Example to Explore Innovation and Profit Model of Business Management in China Linna Huang	42
Innovative Research on Knowledge Service of University Library in the Background of Big Data Yan Hu	46
Talking about the Knowledge Management and Knowledge Service of University Library Lili Li	50
Political Affairs Supermarket—Orientation of Transformation of Government Management Yongsheng Li	54

Existing Problems and Countermeasures in Enterprise Human Resources Management	
Xiaoyan Liu	60
Analysis of the Construction and Development of Regional Library Consortia	
Rui Wang	64
Study on the Limitation of Intellectual Property Rights	
Dongmei Huang	68
Human Resource Management Practice, Knowledge Management Guidance and Enterprise Performance	
Liu Junyong	72
Study on the Dimension of Tourism Ecology Based on the Construction of Beautiful New Hainan	
Yuan Qi	77
Study of Socialist Social Management with Chinese Characteristics	
Qin Shi	81
Study on Temporary Payment Management System based on Excel Server in Colleges	
Yanfeng Liu	85
Theoretical Research on the Separation of Financial Accounting and Tax Accounting	
Meihua Xu	89
Study on Competence of SME Managers in Middle Science and Technology Enterprise	
Mingyue Li	93
Innovation Analysis of Huian Women's Dress under Modern Aesthetic Horizon	
Shu-Yu Lin	97
Analysis and Comparison of "Fragmentation" Social Security Systems in Foreign Countries	
Guangzhi Guo	101
The Effects of P-O Fit and P-J Fit on Turnover Intention	
Qingsong Zhu, Tingting Li	106
Several legal issues related to administrative restrictions --Take the "Tail Restriction" in Some Cities in China for Example	
Xin Xu	111
Research on "Rotten Feet" Phenomenon in Cast-in-place Reinforced Concrete Columns of Liu Lu Apartment	
Shouyong Zhao	116
On Construction Quality Management of Civil Engineering for Highway Traffic	
Wenguang Xie	122
Technological Innovation Green Remediation	
Liang Li, Li Wei, Zhengyong Lv	126

Rational Analysis on the Synergistic Development between Specialty Construction of Higher Vocational Colleges and Local Industry Development	131
Xiaoqiong Liu	
Problems and Countermeasures in Construction Engineering Quality Management	136
Dongfang Fu	
Analysis on the Upgrading and Development Path of Chinese Manufacturing Industry Based on Green Technology Innovation	141
Xiaohui An	
Application of Personalized Library and Information Services in Chinese University Libraries	146
Luo Xin	
The Bottleneck and Countermeasure of E-Books Development in Chinese University Libraries	150
Luo Xin	
An Analysis of the Innovation Path of the Crisis Management Mechanism of the University Campus in China	154
Keyan Wang	
Research on the Transformation and Innovation of Securities Brokerage Business under the Background of Internet Plus	159
Jinjiao Wu	
On the Economic Thought of Confucius	164
Wang Jingfeng	
Safety of Commercial Ship's Cargo Operation in Antarctic Waters——An example of the First Voyage of Chinese Merchant Vessel Yongsheng in Antarctic Waters	168
Liu Jiazhao, Gao Shilong	
Study Based on the Multi-Transactions Interface Management	173
Tu Xiang, Yang Qifeng, Song Ping	
Research on Pricing Model Control of EPC Project in China——Based on Simulated Bill of Quantities Company	182
Junfeng Cai	
Research on the Selection of Discount Rate in Value-for-money Evaluation——Based on the Data Analysis of the Third Batch of Demonstration Projects	186
Yaoyao Wang	
Research on the cooperative innovation mechanism of agricultural science and technology in Chongqing three gorges reservoir area based on supply-side reform	191
Lianming Zhao	
Community Policing Construction and Development Thinking	196
Wang Xu	

Design and Research on Creative Casting Industrial Park Based on Exterior Building Reconstruction	201
Hong Mao	
Analysis of Cold protection, Conservation and Pest Control of Winter Garden Flowers	206
Zhang Yuyu, Liu Jiani, Xu Shengguang, Chen Zebin, Yu Lei	
A Study of the Establishment of Internal Audit Quality Control System in Universities	210
Sun Li	
Research on the Development of Chinese Martial Arts from the Perspective of Telling Good Chinese Stories	214
Li Li	
Research on Price Adjustment of Construction Contract Caused by Force Majeure	217
Ke Zhao	
The Defects and Improvement of China's Blind Peer Review System for PhD Dissertations	224
Zhao Zhichao	
Research on Security Management and Preventive Measures of Library Computer Network System	227
Zhang Jing	
Comparative Analysis of Domestic and Foreign Management Science and Engineering Research Hot Issues	231
Yincheng Wang	
An Empirical Study of the Impact of Flipped Classroom on College Students' Autonomous Learning Ability	236
Wu Jing, Lin Yun	
Technology Research on Information Analysis of Internet + Ecological Factors of Ginseng	241
Hongwei Zhu	
Web design and production process analysis	246
Qiguang Ke	
Environmental Monitoring Mobile Law Enforcement System Design	251
Zhao Kunrong, Wu Shuang, Xu Wenjun, Jia Yan
