

# Peer review statement

In submitting conference proceedings to *Web of Proceedings series*, I certify to the publisher (**Francis Academic Press**) that I adhere to the **Policy on Publishing Integrity** in order to safeguard good scientific practice in publishing.

1. All articles have been subjected to peer review administered by the proceedings editors.
2. Reviews have been conducted by expert referees, who have been requested to provide unbiased and constructive comments aimed, whenever possible, at improving the work.
3. Proceedings editors have taken all reasonable steps to ensure the quality of the materials they publish and their decision to accept or reject a paper for publication has been based only on the merits of the work and the relevance to the series.
